At the corner of Quay Street and Ultimo Road, looking north down Quay Street toward the monorail.

Walk under the "UTS LIBRARY" sign.

As you walk under and past the "UTS LIBRARY" sign, this is what you'll see.

Keep walking past all these signs (yes, even the sign for Block C).

At the sign –

**Building 5 Block D
Cafe**

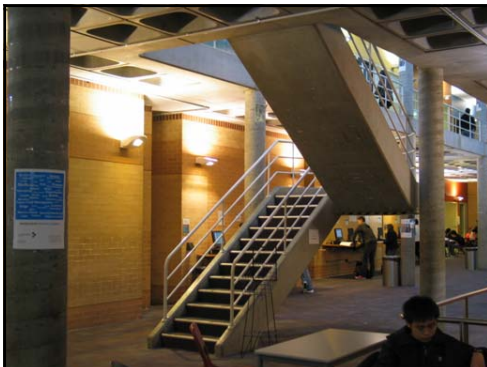

– turn and walk through this gate. (The café will be on your right as you do.)

Walk through the courtyard ...

... and enter Building 5 through these doors.

Just after entering through the doors you will see these stairs on your right.

Go up the stairs to the next floor.

At the top of the stairs, on your right, look at the room numbers; you are very close to C.2.40 and C.2.43
